

## ROUGH CARPENTER

### Position Summary:

The rough carpenter will build rough wooden structures, such as concrete forms, scaffolds, tunnel and sewer supports and temporary frame shelters according to sketches, blueprints or oral instructions.

### Qualifications/Experience:

- Five years of experience.
- Completion of apprenticeship program.

### Typical Duties:

- Examines specifications to determine dimensions of structure.
- Measures boards, timbers or plywood using square, measuring tape and ruler.
- Marks cutting lines on materials using pencil and scribe.
- Saws boards and plywood panels to required sizes.
- Nails cleats (braces) across boards to construct concrete-supporting forms.
- Braces forms in place with timbers, tie rods and anchor bolts for use in building concrete piers, footings and walls.
- Erects chutes for pouring concrete.
- Cuts and assembles timbers to build trestles and cofferdams.
- Builds falsework to temporarily strengthen, protect or disguise buildings undergoing construction.
- Erects scaffolding and installs ladders, handrails, walkways, platforms and gangways.
- Installs door and window bucks in designated positions in building framework and braces them with boards nailed to framework.
- Installs subflooring in buildings.
- Nails plaster grounds to studding to provide guide for plasterer.
- Fits and nails sheathing (first covering boards) on outer walls and roofs of buildings.

### Requirements:

- Work within precise limits or standards of accuracy.
- Apply shop mathematics to solve problems.

- Plan work and select proper tools.
- Compare and see differences in the size, shape and form of lines, figures and objects.
- Picture solid objects from drawings or diagrams.
- Rate information using standards that can be measured or checked.
- Perform a variety of duties that may change often.

### Physical Abilities:

- Climb and maintain balance on scaffolds and ladders.
- Reach for, handle and manipulate objects and materials.
- Lift and carry objects weighing up to 60 pounds.
- Stoop, kneel, crouch and crawl.
- See well (either naturally or with correction).
